Certificate of Conformity

Product: Forehead Infrared Thermometer/ Medical Face Mask
Model: [REDACTED]
Applicant: [REDACTED]
Address: [REDACTED]

The submitted sample of the above product has been tested for CE marking according to the related European Directives

Standards used for showing compliance with the essential requirements in the specified directives

Standard(s): EN ISO 14971: 2009; EN 980: 2003; EN 1041: 1998;
EN61010-1:2001; EN 61010-2; EN 61326-1: 2006

Test report(s): [REDACTED]

The technical documentation of the listed devices is in conformity with the requirements of Annex III. The applicant may affix the CE marking as shown to the product.

Certificate No

Date:

Valid until: 22 July 2021

SQA

A handwritten signature in blue ink, appearing to read 'K. Kotes', written over a horizontal line.

General Manager (Signature)

The CE marking, consisting of the letters 'C' and 'E' in a stylized, bold font, indicating conformity with European standards.

EC Certificate

Full Quality Assurance System

Directive 93/42/EEC on Medical Devices (MDD), Annex II excluding (4)
(Devices in Class IIa, IIb or II)

No. [REDACTED]

Manufacturer: [REDACTED]

Facility(ies): [REDACTED]

Product
Category(ies):

Forehead infrared thermometer, regulators and accessories
Flow- and pressure, Hand gloves, Oxygen mask respiratory,
Face mask, Anesthesia and Emergency Apparatus

The Certification Body of TÜV SÜD Product Service GmbH declares that the aforementioned manufacturer has implemented a quality assurance system for design, manufacture and final inspection of the respective devices / device categories in accordance with MDD Annex II. This quality assurance system conforms to the requirements of this Directive and is subject to periodical surveillance. For marketing of class II devices an additional Annex II (4) certificate is mandatory. See also notes overleaf.
