## Genuine Leather Skinny Sleeves

Acme Made Genuine Leather Skinny Sleeves provide the ultimate in laptop protection. These sumptuous, top grain leather sleeves complement any briefcase or backpack. And, leather ages gracefully, acquiring a beautiful patina over time. The zipperless design makes it easy to slide your laptop in and out of the sleeve - with no scratching.

Precision stitching provides a beautiful and understated look. Ultra-thin, yet fully padded, this sleeve defends against daily wear and tear. The iconic Acme Made elastic band ensures that your laptop stays securely inside the sleeve.

- Genuine leather looks elegant and ages naturally
- Premium craftsmanship ensures years of use

### The Look

The Skinny Sleeve's smooth and supple leather looks beautiful in either black or brown. The iconic elastic strap provides security without any zippers or hardware to scratch your laptop.

### The Feel

Nothing can compare with the luxurious, premium feel of all natural leather. A soft inner lining allows smooth insertion without scratching. The slim design won't add bulk to your bag.

### The Function

Leather can be counted on to age beautifully and last for years, possibly a lifetime. Your laptop deserves the finest protection.

## Skinny Sleeve

Acme Made Skinny Sleeves are the first choice for stylish protection by discerning laptop owners. Our unique StretchShell Neoprene® fabric has a super-smooth finish that is water and stain resistant. The zipperless design makes it easy to slide your laptop in and out of the sleeve—with no scratching. Our stretch-stitch seam gives a custom-fit feel.

The ultra-thin, yet fully-padded lining, along with sewn-in protective layers on the front and back of the sleeve, defend against daily wear and tear. The iconic elastic band keeps your laptop securely inside the sleeve. See our “fit guide” for a list of compatible devices. ([www.acmemade.com](http://www.acmemade.com))

- Available in sizes to fit virtually every laptop and large tablet.
- Our proprietary StretchShell Neoprene® is both water and stain resistant.
- Zipperless closure won't scratch the device.
- Sewn-in protective panel on front/back for extra protection.
- Iconic elastic band keeps the device securely within the sleeve.
- Ultra-thin design won't add bulk to another bag

### The Look

The Skinny Sleeve's striking design looks beautiful in a variety of attractive color schemes and features our iconic elastic strap that provides security without any zippers or hardware to scratch your laptop.

### The Feel

A soft felt inner lining allows smooth insertion without scratching. Sewn-in plastic inserts provide additional protection, and slim design won't add bulk to your bag.

### The Function

StretchShell is made from neoprene—a synthetic polymer that resembles high quality rubber. It has a super smooth feel and a premium appearance. StretchShell also offers both water and stain resistance, keeping your devices safe from the elements.
